Memo to Counsel Re: Thornell Page v. Mayor & City Council of Baltimore, et al.
Civil No. JFM-00-1192

Dear Counsel:

This will confirm the schedule set during the conference held yesterday.

October 6, 2000	Factual discovery deadline
November 3, 2000	Deadline for defendant(s) to file motion for summary judgment
December 1, 2000	Deadline for plaintiff to file opposition
December 15, 2000	Deadline for defendant(s) to file a reply

I have used the term "defendant(s)" in the above schedule because I have not yet ruled upon Mr. Marsili's motion to dismiss. I will do so after Mr. Raimondi has filed his reply.

This will also confirm that the expert reports and expert discovery will be deferred until I have ruled upon the anticipated motion for summary judgment on liability issues. If I deny that motion, I will then set a schedule for Rule 26(a)(2) disclosures and an expert discovery deadline.

Despite the informal nature of this ruling, it shall constitute an Order of Court, and the Clerk is directed to docket it accordingly.

Very truly yours,

J. Frederick Motz
United States District Judge
